Hi all –

I made additions to Amy's sheet based on my notes from the meeting.

Also, to just help me organize this in my brain, I sorted it into categories and tasks which maybe will help Thursday and in eventually presenting something to management. We can revise however folks want, just a starting point. I added a few lines with additional items we hadn't specifically had in the list and highlighted them in gray.

Thanks!

Colleen

Looks good to me. I don't have anything to add to Melissa's comments
